

VISION & VALUES

At the Boone EDC, we believe in being the driving force behind Boone County's economic prosperity. We are committed to empowering growth through strategic connections, innovative solutions, and unwavering dedication. Our core belief is cultivating a thriving and inclusive community by forming impactful partnerships with elected officials, corporations, and small businesses.

ADVOCACY

We passionately champion the interests of Boone County, advocating for its growth, prosperity and well-being.

COMMITMENT

We demonstrate unwavering dedication to our vision, ensuring consistent efforts to achieve sustainable economic development in Boone County.

INNOVATION

We cultivate an environment that nurtures creativity and welcomes fresh ideas, enabling the development of inventive solutions that propel Boone County towards progress and prosperity.

RESPONSIVENESS

We are swift and diligent in our responses, addressing the needs of our community and stakeholders with urgency and care.

CONNECTION

We actively build and nurture connections, fostering collaborations and partnerships that strengthen Boone County's economic landscape.
